**Career Guidance [Counseling] and Placement Cell of our institution**

The objective of conducting counseling sessions is to streamline and structure the thoughts and plans of students about their careers. We have been organizing and conducting career counselling and guidance sessions for our final year students from time to time by inviting scholars, industry experts, trainers and domain experts.

Our institution has constituted centralized placement assistance and career guidance cell in our campus. We conduct sessions for final year students of B.Pharmacy and M.Pharmacy clarify their queries, if any, relating to their career.

**COMPOSITION OF PLACEMENT AND CAREER GUIDANCE & COUNSELLING CELL**

S. No	Name	Designation	Contact No.
1	M.Sunil	Asst. Professor, Chairperson	8801805443
2	Ch.Rajveer	Asst. Professor, Coordinator	9948645156
3	Md.Wajid Ali	Asst. Professor, Member	9704115893

**Functions of Career counselling and Guidance Cell:**

- The cell tries to establish communication with the organizations and individuals of domain knowledge and collaborate with them for conducting counselling sessions.
- Cell guides the students on how to face the interview and also guide the students on the subjects to be revised before the interview based on the nature of job/ department.

The cell conducts regular meetings with other members and plans for activities relating to academic and career counselling for final year students. Students are exposed to different career options when they visit industries, firms and other commercial organizations. Career guidance cell also encourage to participate in conferences and seminars organized by our and other institutions.
